SERVICE. SKILLS. OPPORTUNITY.

ONE FAMILY. EVERYDAY SOLUTIONS.

MIGHTY BRANDS

A coordinated network for household care, property services and practical skills training.

SEVEN DIVISIONS. ONE SHARED VISION.

Company profile | Cape Town, South Africa

01 / THE MIGHTY STORY

BUILT AROUND EVERYDAY NEEDS.

Mighty Brands brings cleaning, childcare, moving, property maintenance and practical skills training together under one umbrella.

We serve households, busy professionals, families, property owners, hospitality establishments and businesses. Our network makes it easier to coordinate complementary services through one brand.

Where we began

APRIL 2025

Mighty Maids founded

Our first division began with a focus on cleaning and household support.

MARCH 2026

Formal registration

Mighty Maids was formally registered, laying the foundation for the wider network.

EST. 2026

Mighty Brands established

A shared identity brings seven service and training divisions together.

An early major cleaning booking for B&B; properties on the Atlantic Seaboard helped establish our hospitality presence. We continue to build our customer base and market relevance, alongside the steady development of Mighty Nannies.

02 / LEADERSHIP

VICTORIA DARIK

FOUNDER & OWNER

A strategic mind. An entrepreneurial drive.

Victoria Darik is the founder and owner of Mighty Brands, a qualified marketer, digital strategist and serial entrepreneur. At 35, she brings marketing expertise and practical business-building experience to the company.

Having founded, developed and sold small businesses, Victoria understands the journey from identifying an opportunity to building a customer-facing business. Her experience informs her approach to brand positioning, customer engagement and business development.

Mighty Brands is her first multi-division company. She is bringing together experienced service professionals under a shared identity, with a focus on coordinated services, practical skills development and sustainable growth.

Her ambition

To build a respected service network that delivers value to clients, develops people and creates opportunities for work and business ownership.

03 / OUR FOUNDATION

EXPERIENCE BEHIND THE BRAND.

10+ YEARS

Trade experience in plumbing, gardening, removals and handyman work.

These four divisions are spearheaded and supervised by independent tradespeople, each with more than 10 years of experience in their field. They represent Mighty Brands and work with their teams to deliver assignments under the brand.

Mighty Brands provides the shared brand identity and service coordination. The tradespeople contribute specialist knowledge, oversee their assignments and guide their teams.

Our mission

To provide dependable household and property services through experienced professionals, while developing practical skills and opportunities for work and enterprise.

Our vision

To grow a recognised South African service network, with locally operated divisions that uphold care, professionalism and accountability.

The values that guide us

Accountability
Clear communication and agreed expectations.

Respect & care
Consideration for people, belongings and spaces.

Practical skill
Experience, preparation and appropriate equipment.

Opportunity & growth
Skills development and continuous improvement.

DEMONSTRATE. PRACTISE. BUILD CONFIDENCE.

Straightforward explanations, guided practice and practical assessments. Providers, course requirements and certification arrangements are confirmed for each programme.

The Academy develops skills relevant to the wider Mighty service network.

08 / BUILDING THE NEXT CHAPTER

GROWING WITH THE RIGHT PARTNERS.

Our immediate focus is to strengthen Cape Town operations, build lasting client relationships and develop reliable systems across our divisions.

Over the next three to five years, we aim to explore branches and franchise opportunities in other South African cities, including Johannesburg and Durban. The ambition includes locally recognised businesses such as Mighty Maids of Joburg and Mighty Maids of Durban.

Expansion will depend on customer demand, operational readiness, suitable partners and the ability to maintain service quality.

Ways to work with us

- **Service partnerships**

  Contracts with hospitality operators, property managers, businesses and residential communities.

- **Training & learner sponsorship**

  Support for course fees, learning materials, tools and equipment, alongside collaboration with trainers and institutions.

- **Practical experience & suppliers**

  Supervised work experience opportunities and relationships with equipment and materials suppliers.

- **Future business development**

  Conversations about branch development and franchise opportunities as the network grows.

Our aim: clear responsibilities and useful outcomes for clients, learners, service professionals and partners.

09 / LET'S WORK TOGETHER

ONE NETWORK.
MORE WAYS TO HELP.

For your home. For your property.
For your next opportunity.

We support households, working professionals, families, landlords, property managers, B&Bs;, guesthouses, offices and small businesses. Our Academy welcomes adults seeking practical skills training.
